

DELFL 165/6 PP

This loudspeaker is ideally suited for a wide variety of applications because of its classic design and its excellent acoustic characteristics. The DELFL 165/6 PP, made of powder-coated metal with a 165 mm full range chassis is specially adapted for speech and background music reproduction in stores, rooms and hotels. The exceptional spring mounting with cropped leg springs guarantees an outstanding rapid ceiling installation. The firedome F 165 is optionally available for a surcharge.
